

# Dakota Center Reopening Procedures

We are optimistic to begin modified programming once again at the center! The following precautions are being put in place to ensure the safety of our clients, volunteers, and staff. They have been developed in conjunction with the Ohio Department of Health guidelines, the Governor's directives such as "Responsible Restart Ohio", and local public health directions.

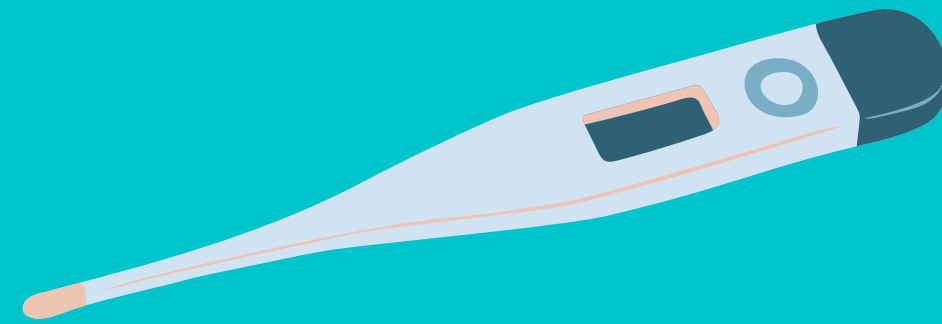

## Staff will be required to...

face coverings

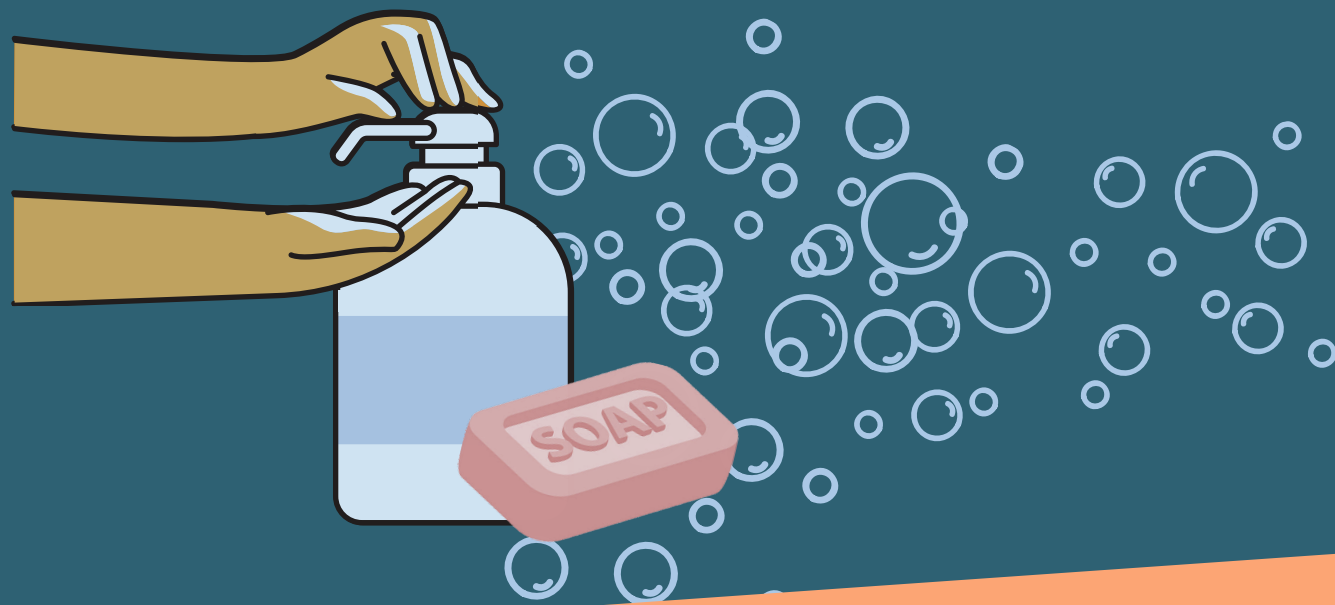

check  
temperatures  
daily

restrict close-  
contact activities

← six feet →

wash hands  
frequently

clean/disinfect  
facility when  
closed

### Modified Business Hours
